Pembrokeshire Voluntary Transport

Transport for all!

About Us

Pembrokeshire Voluntary Transport (PVT) helps people who have difficulty because of their age, disability, personal situation, or because they live in an isolated rural area with limited public transport.

We also help Community Groups to benefit from social outings, for example Youth Groups, Sports Clubs etc.

PVT has a small fleet of wheelchair accessible vehicles which are available for the use of non-profit organisations and families, who have a disabled person in their group, and individuals.

Our fleet includes accessible cars and small minibuses, which are based around Pembrokeshire.

Drivers

Organisations are encouraged to provide their own driver. Anyone wishing to drive a PVT minibus must undertake the Minibus Driver Awareness Scheme (MiDAS).

PVT has a small bank of volunteers who are willing to drive on behalf of organisations. As their availability is limited, please book well in advance and be willing to be flexible about the time or day of your trip.

We are always pleased to hear from new volunteer drivers and non-driving volunteers. If you have a little time to spare and would like to join our team, please contact us on 07494 275538

To hire a minibus you need to become a member of PVT.

Membership costs £15 per annum.
