Volunteering Matters Cars for Carers

Calling All Carers

Do you have to get out and back quickly so that you do not leave your loved-one for long?

Do you have to travel to fit in with your respite care?

If a Volunteer is available in your area and at the time you need transport, they will pick you up and take you, and your cared-for, if required, to your destination.

A pick-up time is arranged, or the driver often waits for you to take you home.

The charges are reasonable (with discount for buspass holders*) and cover part of the Volunteer driver's expenses. There is no charge for the person being cared for.

For more information about Cars4Carers, please contact C4C voluntary organisers: Cathy on 07469 859029

*If you need assistance with a buspass application and the photograph required, a volunteer can help you. Please contact Pembrokeshire County Council on 0800 783 1584 to request this service.

Young Carers

If you are a Young Carer and in touch with an organisation who is providing support for you, such as Action for Children, Pembrokeshire Sibling Group or MIND, together we can talk about getting you moving!
